

A background image showing a group of business professionals in a meeting. A man in a suit and tie is on the left, holding a coffee cup. A woman in a grey blazer is in the center, gesturing with her hand. Another person is on the right, holding a smartphone. In the foreground, a tablet displays a document with charts and text. The overall scene is professional and collaborative.

## ABOUT

### Our Services

Ensuring transparency and detailed organization with our management services, including; New Product Development Programs, QC Release, raw material, final project management, and analytical stability testing management.

### Our Philosophy

We aim to provide best-in class service and the highest quality work to the companies we do business with. We have the best accuracy and efficiency in the market.

### Our Mission

Communication is the key to our success. We work with you to ensure your vision comes to fruition and that all your goals exceed expectations.

## OUR TEAM

Our team has years of experience in laboratories, CSV, and project management.

We have perfected IOPQ activities most recently including, Stegmann Systems PLA v3.0.5 software, Yokogama DaqStation DX1006 recorder, Metrohm CKF 917 TiTouch, and Steris Reliance 400XLS Glassware washer as well as Molecular Devices Softmax Pro v7.1.1 software.

We have performed Qualification activities, Environmental Monitoring System and temperature mapping, and authored protocols, reports, deviations, and change controls. We are a cohesive work team that focuses on being "Right First Time".
